2022 Summer Annual Report**

Committee Charge

The Committee serves as a source of professional advice and guidance to the Senate on matters relating to the quality, operation, and encouragement of graduate programs and research. To these ends, the committee may be concerned with the procedures, criteria, and support of existing and new graduate programs within the University. The Committee may review and recommend policies and procedures relating to moral and ethical concerns of research and graduate studies and other matters involving support and furtherance of research and graduate studies within the University.

Summary of Committee Actions since Winter Plenary

- SUNY Virtual Graduate Research Conference.
 - In collaboration with the SUNY Center for Professional Development, our committee organized the first SUNY-wide Graduate Research Conference, which was held virtually on February 25th, 2022. There were 24 oral presentations and 74 poster presentations, which spanned multiple disciplines and were given by graduate students from campuses across the SUNY system.
